To All Parents

Children are welcome and we enjoy having families at the races. However, in consideration of other Patrons and for the safety of your children, please ensure that your children are under your care, control and supervision at all times.
Thank You for your cooperation.

General Operations

Supervision of the pari-mutuel betting and drug control services is provided by the Minister of Agriculture, The Hon. Gerry Ritz, MP. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges of the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is cancelled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutual field starts in the race, all tickets purchased on that entry or mutual field remain valid, and the purchase price of any ticket shall not be refunded.

Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03(h) There shall be no recall after the horses have been released by the starter. 22.03(i) The starter shall endeavor to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and: (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to e on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes an extended break, and the driver may be penalized.

Entry or Field in an Exactor

Exactor pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutual field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

Exactor Betting

Where the exactor feature is operated, the exactor is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

Triactor Betting

A Triactor bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Superfecta Betting

A Superfecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Daily Double, Pick-3 or Pick-4 Betting

The Daily Double, Pick-3 and Pick-4 features are betting transactions in which the purchaser of a ticket undertakes to select the winners of two, three or four consecutive races on which the Daily Double, Pick-3 and Pick-4 is scheduled to be run. The winning combination of horses constituting a winning ticket shall be those horses that finish first, in the official order of finish in each leg or feature. In accordance with ARCI Chapter 4 G (2)(c) Method 3, Pick (n) with No Minor Pool and No Carryover the net Pick (n) pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests, based upon the official order of finish. If there are no winning wagers, the pool is refunded. Pick-3 or Pick-4 Scratches: Rule 11 (1). In the event a Pick-3 or Pick-4 feature ticket designates as a selection in any one or more of the races comprising the Pick-3 or Pick-4, a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in the race, the favorite, as evidence by the amount wagered in the pool at the time of the start of the race in which the scratch(s) occurred, will be substituted for the non-starting selection for all purposes. (2) In the event that the money bet in the win pool for (2) two or more favorites is identical, the selection identified in the lowest program number shall be substituted for the non-starting selection.

Claiming Race Allowances: 2-year-old fillies 100%; 2-year-old colts & geldings 75%; 3-year-old fillies 75%; 3-year-old colts & geldings 50%; 4-year-old mares 50%; 4-year-old horses & geldings 25%; 5-year-olds and older mares 25%; Spayed mares receive no allowance. In the case of a claimed horse, said horse need not necessarily increase its claiming price to be eligible to future claiming events.

Condition Race Allowances: 25% allowance on lifetime earnings for Ontario Sired horses; no other allowances for age or sex.

Common Pool Wagering

Subject to the provisions of the Federal Regulations, in the unlikely event of a communications or computer systems failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be considered as a separate pool or may even be refunded in the event of a complete system failure. Changing a site's bets from common pool to separate pool may affect the odds and prices. Customers will be advised by public announcement of the course of action taken.

Wager Cancellation Policy (in effect since September 29, 1999)

Pari-Mutuel Regulations will permit the cancellation of bets up until the stop of betting (betting has been closed when race has started) for reasons including: a change in race surface, distance, track condition or jockey/driver; a horse has been scratched or a horse that was part of an entry has been scratched; a incorrect ticket was issued to the customer (even if realized after the customer has left the betting window) For "WIN" bet tickets of \$200 or more, the customer must print their name and phone number on the back of the ticket before requesting the cancellation. Rideau Carleton Raceway will also require them to present photo identification. This also applies to all multiple pool wagers covering "WIN" bets of \$200 or more; eg "WIN-PLACE", "WIN-SHOW", "WIN-PLACE-SHOW" When will bets NOT be cancelled? When there are reasonable grounds to believe that the cancellation of a bet may affect negatively on the integrity of a pool or the display of pari-mutuel data. For "WIN" bet tickets of \$200 or more, if photo identification is not presented or full name and phone number has not been legibly printed on the ticket. After a pool has been closed (at the start of a race) All cancelled bets will be closed monitored by Rideau Carleton Raceway and the Canadian Pari-Mutuel Agency. Further cancellation restrictions may be posted by the Canadian Pari-Mutuel Agency.

Federal Regulations Amendment

In the unlikely event that prices are posted which are based on an incorrect official order of finish, upon discovery and/or official notification of the error, associations must immediately stop paying the erroneous prices. The correct price will subsequently be calculated and paid, including a correction of all account-based wagers. This regulatory change reflects the existing standards in the United States.

For Your Attention

Although it is unlikely to occur, for bets that cannot be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites may affect odds and payouts at other locations.

Tickets

All winning tickets and vouchers are valid indefinitely.
